Why Sponsor?

Stuffies for Every Child is more than just a volunteer project—it's a hands-on, high-impact initiative that provides comfort to children facing incredibly difficult circumstances. Every stuffed animal built at this event helps create a moment of security and reassurance for a child experiencing hardship, whether they're receiving a vaccine, facing an uncertain medical diagnosis, or navigating life's challenges.

This initiative is especially meaningful for children seen at the Every Child Pediatrics Clinic inside the Samaritan House Homeless Shelter in Downtown Denver—the first-of-its-kind pediatric clinic in a homeless shelter nationwide. The families served here are among the most vulnerable in our community, with many children having never had a wellness checkup or falling years behind in their medical care. For these children, a simple stuffed animal represents far more than just a toy—it's a symbol of stability, comfort, and care in an often unpredictable world.

A key highlight of the event is the creation of **Sammie the Bear**, the official mascot of our Samaritan House clinic. Every Sammie Bear built is specially designated for a child experiencing homelessness, ensuring that when they walk through our clinic doors, they are met with not just medical care, but also a soft, comforting friend to hold onto during their journey.

Event Overview

At Stuffies for Every Child, more than 300 volunteers will come together to create over 1,000 stuffed animals (and more, depending on sponsorships!) in a fun, family-friendly environment.

Volunteers will:

- ✓ Build stuffed animals ("stuff a stuffie") to be given to children in need.
- ✓ Sort, organize, and prepare the stuffed animals for delivery.
- ✓ Load up and distribute the stuffed animals to Every Child Pediatrics clinics, ensuring they go directly into the hands of children who need them most.

The atmosphere is joyful, engaging, and deeply rewarding, making it the perfect opportunity for families, companies, and community members to come together for a shared cause.

By sponsoring Stuffies for Every Child, your company is not only gaining valuable community visibility, but also directly supporting the emotional and physical well-being of Colorado's most vulnerable children. Your sponsorship ensures that more children—especially those facing homelessness—receive compassion, comfort, and care when they need it most.
